

### Child Abuse – Pedophilia Teachers 100% WORSE in Public Schools Compared to Priests

Decades ago the issue of child abuse was rarely discussed or even considered a major problem. But today we know otherwise. This issue has been discussed often in the media when it relates to abuse by priests. Sadly, some bishops did not deal with the issue properly, sometimes believing denials by priests over allegations made by children.

But there is another area where child abuse is far, far more common ~ child abuse in our public schools. Based on key studies done in recent years, abuse by priests amounted to about 11,000 cases over a period of 50 years, or about 220 abuse cases per year. However, based on a major 2004 study by former Hofstra University Professor, Charol Shakeshaft, done for the US Department of Education: (Educator Sexual Misconduct: A Synthesis of Existing Literature), There were 290,000 cases of child abuse per year committed by public school employees, mostly teachers.

In other words, for every one case of child abuse by a priest, there were 130 cases of child abuse by a public school employee. What is so surprising is that in spite of the fact abuse by public school employees occurs

### USA ATTACKS CHRISTIANITY EMPHASIS ON CATHOLICISM

*Quote, April 27, 2015  
"Rights have to exist in practice, not just on paper. Laws have to be backed up with resources and political will. And deep seated cultural codes, religious beliefs, and structural biases have to be changed.*

*(Thank you, Divine Hillary, Fino)*

*Whatever we once were, we are no longer a Christian Nation" June 2007-CBS TV. Note: 83% of Americans identify themselves as Christian. Most of the rest 13% have no religion. That leaves 4% adherents of all non-Christian religions combined- Jews, Muslims, Buddhists and a smattering of others. (ABCNEWS/Beliefnet Poll- by Gary Langer)*

Pres. Obama's response to this question; what is your definition of sin? "Being out of alignment with my values." Feb. 12, 2012

A further Quote from April 20, 2013; " Even those who claim the Bible's inerrancy make distinctions between scriptural edicts, sensing that some passages like the Ten Commandments or the belief in Christ's, "Divinity" are central to Christian Faith. While others are more culturally specific and modified to accommodate modern life" Note here: King Herod said the same thing in his day as I paraphrase; "Moses and the so called prophets must accommodate to modern life, especially to my illegal marriage and my values." And it was also

another King Herod that ordered the slaughter of babies. Now known as "Holy Innocence". A human value that condones the slaughter of innocent babies is intrinsically evil, satanic.

Further quote: "The American people intuitively understand this, which is why the majority of Catholics practice birth control and some of those oppose gay marriage but never the less are opposed to a

Constitutional amendment to ban it. Religious leadership need not accept such wisdom in counseling their flocks, but they should recognize this wisdom in their politics" (Thank you, Pope Obama, Fino )

*Commentary:*

*Once Abolish The God And The Government Becomes The God. We Do Not Want A Church That Will Move With The World. We Want A Church That Will Move The World. G.K. Chesterton*

*Late-  
Cardinal Francis George  
of Chicago*

## Secularism Gives Birth To Totalitarianism

Cardinal George said in October 12, 2012; "... the secularizing of American culture is much more an issue than all political causes or the outcome of the presidential elections." Warning against a rise of anti-religious sentiments and restating his fears of a future religious persecution in the United States, he further states his most famous quote; "I am correctly quoted as saying that I expect to die in bed, my successor will die in prison and his successor will die a martyr in the public square."

## Laity Must Fight, Says Australian Cardinal

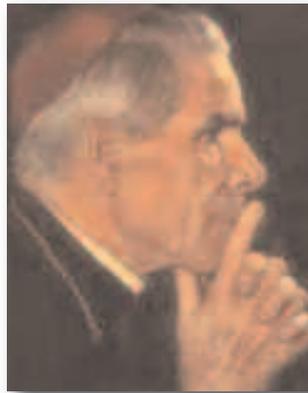

*Cardinal George Pell*

Cardinal Pell is another prelate of the Catholic Church that can foresee how governments in Ireland and the United States are abandoning the principles of the Christian Faith and secularly making new laws that are taking away all religious freedoms. "He says Catholics are entering a new phase of political struggle which can only be fought by

the lay people. (Cork, Ireland July 9, 2015 )

For many years OMQoP~BetaniaXIII newsletters have been quoting the late Bishop Fulton Sheen from 44 years ago when he said, **"It is up to you, the laity. You have the minds, the eyes, the ears to save the Church. Your mission is to see that your priests act as priests, your bishops, like bishops, and your religious act like religious."**

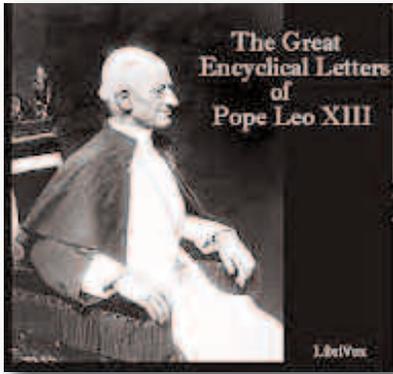

*Bishop Sheen*

"A nation always gets the kind of politicians it deserves. If a time ever comes when the religious Jews, Protestants and Catholics ever have to suffer under a totalitarian state, which would deny to them the right to worship God according to the light of their conscience, it will be because for years they thought it made no difference what kind of people represented them in Congress,

and because they abandoned the spiritual in the realm of the temporal.

"Moral principles do not depend on the majority vote. Wrong is wrong, even if everybody is wrong. Right is right even if nobody is right. **A religion that doesn't interfere with the secular order will soon discover that the secular will not refrain from interfering with it.**"

# Socialism Is Intrinsicly Evil And Condemned by the Catholic Church; Overthrow is Deliberately Planned - Pope Leo (1878-1903)

“For, the fear of God and reverence for the divine laws taken away, the authority of rulers despised, sedition permitted and approved, and the popular passions urged on to lawlessness, with no restraint save that of punishment, a chance

and overthrow of all things will necessary follow. Yes, this change and overthrow is deliberately planned and put forward by many associations of communists and socialists.”

“They (socialists, communists, or nihilists), **debase the natural union of man and woman**, which is held sacred even

among the barbarous peoples; and its bond, by which the family is chiefly held together, they weaken, or even deliver up to lust. Encycl. Quod Apostolici muneris, December 28, 1887, n. 1)

## The Harvest of Misery

“...There is need for a union of brave minds with all the resources they command. The harvest of misery is before our eyes, and the dreadful projects of the most disastrous national upheavals are threatening us from growing power of the socialistic movement.” (Encl. Graves de Communi Re, Jan. 18, 1901, n. 21)

Note this was written 129 years ago. And today we have politicians that wish to make America a Socialistic Country! Most Americans, especially the youth, have no idea of the consequences a socialistic state.

## SOCIALISM FURTHER DEFINED

“THERE IS NO DIFFERENCE BETWEEN COMMUNISM AND SOCIALISM EXCEPT IN THE MEANS ACHIEVING THE SAME ULTIMATE END: COMMUNISM PROPOSES TO ENSLAVE MEN BY FORCE, SOCIALISM – BY VOTE. IT IS MERELY THE DIFFERENCE BETWEEN MURDER AND SUICIDE.”

The Great Writer ~ Ayn Rand

SOCIALISM IS THE PHILOSOPHY OF FAILURE, THE CREED OF IGNORANCE, THE GOSPEL OF ENVY. ITS INHERENT VIRTUE IS THE EQUAL SHARING OF MISERY.

The Great English Statesman ~ Winston Churchill

## HOPEFUL IN TROUBLED TIMES

In past interviews with Maria she has said, “Even though times look bad, it is glorious. Everything is in God’s Control. It will make everything better. We should be only joyful.” Her messages are like her name which means HOPE. Our Holy Mother has given Maria enough messages that confirm Maria’s answers of hope and joy no matter what the world situation is.

Our Holy Mother gave this Message to Maria Esperanza on, March 6, 1988, at 11am:

“Little daughter, little children, here among you in a close warm embrace, living a gathering of a Mother with her children, in which each one of those sons and daughters express their feelings and desires of how much they really wish for their Mother to understand them. So she can bestow her mother protection upon them. ...Yes, children our meeting today is to open broad paths in the boundaries of knowledge, since Jesus, my Divine Son, with his Word of wisdom, with his righteousness

and his immutable purity is longing to continue to serve and to be useful to his people. He is reviving again in, here in BETANIA, his language of the heart, through this Mother.”

... He is not coming to gather only the good, but it is the rebellious whom He comes to gather; to have them drink from the fountains of the holy waters of this Mother; so they can wash their heads, their hands, and their feet for their conversions.”

Little children, I beg all of you to take advantage of the days, hours, minutes, and seconds to prepare yourselves. Evangelization is the representation of the New Golden Age of A New World, where peace and the ways of love shall take you to reach the rectitude and the knowledge of the Children of God! All are children of God.”

I keep you in my Heart ... love, love, love without limits!”  
Mary Reconciler of the Peoples (Foundation-A Little Piece of Heaven on Earth)

### Alleged Medjugorje Message, April 25, 2016 to Mirjana

*"Dear children, my Immaculate Heart bleeds as I look at you in sin and sinful habits. I am calling you to return to God and to prayer that it may be good for you on earth. God is calling you through me a for your hearts to be hope and joy for all those who are far away. May my call be for you a balm for the soul and heart so that you my glorify God, the Creator, who loves you and is calling you to eternity. Little children, life is short. Make good use of this time and do what is good. Thank you for having responded to my call."*

### Alleged Medjugorje Message, May 25, 2016 to Mirjana

*"Dear children, my presence is a gift from God for all of you and an encouragement for conversion. Satan is strong and wants to put disorder and unrest in your hearts and thoughts. Therefore little children pray so that the Holy Spirit may lead you on the real way of joy and peace. I am with you and intercede before my Son for you. Thank you for having responded to my call."*

more than 100 times as often as priestly abuse; this is rarely if ever, discussed on TV, radio, newspaper, magazine or any form of media in the USA. Why is this?

And according to Dr. Shakeshaft, "in only 1% of the cases did Superintendents follow up to ensure the

molesting teachers did not continue teaching elsewhere". Consequently, public school superintendents have apparently made "mistakes" far more often than the many Bishops did, but this also is rarely discussed. Again why is this?
