

MYSTIC, MARIA ESPERANZA, SERVANT OF GOD

Our Mother Queen of Peace is a coalition of all Marian Devotions. I have studied Marian apparitions for over fifty years. When I investigated the apparitions in Betania, Venezuela, in 1993 I was excited; the seer and mystic was coming to Lowell, Massachusetts. I will make this story short. When I went to the auditorium to hear witnesses and Maria speak, I was so happy. One witness was a medical doctor who was "anti-Maria Esperanza" until he himself watched a rose grow from her chest. **This happened 16 times in Maria's life time.**

St. John Vianney: "We are only in the world for God himself, we shall never be Happy if we do not serve Him with zeal and Love."

After the meeting was over, she stepped off the stage went through the crowd of about 2000 and walked directly to me, stood there and stared at me. According to her family she "scanned" me. She can read hearts and reveal your life beginning with the day you were born. She did this with her husband, and all the men that married her daughters. I believe Our Dear Mother Mary put a filter between me and Maria. Later that night she asked me to come and meet her family.

Three days later she asked me to host her visit to Long Island. It took place at St Paul the Apostle Church, in Brookville, NY. About 1000 people showed up; I remember the miracles that took place that night. The next day she asked me to spend it with her. She held my arm most of the day, teaching me lessons. We went to St. Patrick's Cathedral and later to the Shrine of Saint Mother Cabrini. Mother Cabrini would appear and travel with Maria when she had to travel alone.

Maria had a business meeting before we joined her for dinner at her hotel. A group wanted Maria and her Family Choir to appear on stage for a three day event in Radio City Music Hall. The group mentioned that all proceeds would go to her foundation. Maria looked at me and said, "Fino what do you think of this idea?" I replied, "Maria if you do this you will lose all credibility." She smiled and said, "You are one of my spiritual sons." I had no idea what she meant.

Later, when the waitresses and waiters finished taking orders for about twenty of us, everything stopped. Everyone was quiet at the table with their heads bowed but they were not in prayer. Maria was having an apparition with Our Holy Mother, (right in the restaurant which I found out later is not uncommon with Maria), and she was looking over my head at the end of the table.

I looked around the restaurant at the tables nearby and no one took notice. No waiter or waitress came to our table during the time of the apparition. I watched Maria's lips moving as she looked over my head. It took about ten minutes and it was over. Her children immediately asked their mother, "What did Mother Mary have to say?" I forgot most of what Maria said except that she had a vision of me under certain circumstances but "not to worry, I will be there with you when that event happens." (This is not about me another time for this).

Esperanza, means HOPE. Maria and her family bring hope to the world. Yes, she predicted the chastisements and that they will begin in her country, Venezuela. (Good example of the fate of socialism.) Her visions with Our Lord and His Mother, Our Lady Reconciler of All Peoples and Nations, predicts only joy and eventual peace if people repent, go to confession, and, like all Marian apparitions past and present, go to CONFESSION, MASS and PRAY THE ROSARY.

If you wish to know more about Maria Esperanza, Servant of God call us or order her biography by Father Timothy Byerley, Grace of Betania, or the Bridge to Heaven, by Michael Brown.

PS: Many years later after Maria Esperanza died, I spent time with Maria's daughter, Corromoto, her husband, and Geo her father and we reminisced about the vision and apparition at the hotel in 1993.

(Everything took place in our home that burned to the ground 3 years ago. What did not burn? All the Rosaries in our home that I give away and the soft cover book "The Secret of the Rosary." All the other books were dust!)

Maria Corromoto, the daughter who is now allegedly receiving apparitions of her deceased mother said to me, "Fino, when my mother asked you, what do you think about the Radio City presentation, she was not asking you for your advice, she was testing you." I had a good laugh. Stupid, me, I thought Maria was asking for my advice! Evidently, we agreed MONEY is not our endeavor - saving souls is. God will provide the rest. God and MONEY is an Evil Mix!

Maria gave advice to people all over the world through bi-location, she speaks with Jesus, Mary, dozens of angels and saints, she levitates, and suffers the stigmata. Maria, has appeared to one of our prayer group members and to another a non-Catholic, single mother, with a four year old child who had cancer. This single mother gave witness at one of our Betania XIII meetings; the church was full. Most had tears in their eyes, including me, as she witnessed how Maria Esperanza appeared in the child's room and told her that her child will be cured. All the necessary medical evidence was sent to the Betania Foundation and Rome.

Maria, also predicted the spread of the Betania Prayer Groups throughout the world. We are fortunate that the Betania Foundation asked New York to establish a Betania XIII.

Pray, that we will eventually have our own Betania Sanctuary here on Long Island as predicted. Unfortunately, after some investigation I had to refuse two possible benefactors. A third possibility also fell through.

JESUS BEING REJECTED WORLD WIDE

He came to his own and His own people did not accept Him.
John Chp.1:11 You the Remnant Church Will Not Allow This To Happen Again! (John Chp.1:12, Accept Him and become children of God.)

The surviving "Remnant Traditional Catholics" are confused. The religious scandal that has reached all the way to the Vatican has not helped. The USA secular divisions have added to the confusion. This has caused a "Negative American Culture" brought on by selfish

political leaders seeking a Socialistic Godless Government which emphasizes a Culture of Death, murdering babies, euthanasia, and physician assisted suicide. These politicians are trying to replace God with themselves, and they are progressing with the help of many "So-Called Catholics".

Socialism or Communism must eliminate all religions, destroy the family unit, take over health care, the education system, the media, gun control, all farms, and businesses, no one is allowed private property, say good bye to Freedom, wait on a line 2 hours for a stick of butter in a socialistic government- (taken from a true story), etc., etc. .

SOCIALISM AND COMMUNISM has been condemned by the Catholic Church. Abortion is murder and, as you know, one of the 10 Commandments of God. If you vote for a politician that is pro-abortion or pro-choice you cannot receive Holy Communion. You would be an accomplice to murder, "... and excommunicated from the Catholic Church...", Pope Benedict XVI, New York Times 5/10/2007

The USA political liberal attack targets all religions with the emphasis on Judaism, Christianity, and especially Catholicism. This is happening throughout the world with the help of the liberal media, our liberal education system, and Satanic Hollywood. Those who receive these newsletters are aware of what is happening. All has been predicted in the Bible, and the many approved apparitions throughout the world, which have been listed in past newsletters. Unfortunately, almost half of all Catholics are complacent, apathetic, do not care, and are uninformed about true Catholic teachings. The only information they do receive is from the bias liberal media, which constantly denigrates anything Catholic.

Unfortunately, what is being discussed in this newsletter will rarely be heard from most Christian pulpits, for fear of losing their tax-exempt status, and/or being attacked physically or verbally by the liberal left.

Hope and Joy will prevail; Our Holy Mother Mary said so. THINK POSITIVE! (F.G. OMQofP-BetaniaXIII Cordinator)

THE CATHOLIC VOTE ~ CAN MAKE THE DIFFERENCE

Most USA dioceses will receive a letter from the Catholic Bishops titled, "Faithful Citizenship." It tries to convince us to vote "wisely" without upsetting the political agenda and encourage government liberals to take away their tax-exempt status if they promote a particular political party.

We the laity must now be courageous and take the ball for a touchdown, as the late Venerable Fulton J. Sheen said over 40 years ago, "In the future, you the Laity will save the church, not the priests, religious or bishops. ... The bold fact the enemies of God must face is that modern civilization has conquered the world, but in doing so has lost its soul. And in losing its souls it will lose the very world it gained. Even our own so-called USA-Liberal Culture, has tried to avoid complete secularization by leaving remnants of individual freedom; they are in danger of forgetting that these remnants were preserved only because religion was in their soul. "And as religion fades so will freedom, for only where the spirit of God is, is there LIBERTY."

Luisa Picareta, Servant of God, was a member of the laity and mystic of our time who lived solely on the Holy Eucharist for 65 years. She predicted:

"A renewed LAITY will open an era of holiness in the world such as has never been seen before."

You the faithful LAITY are now part of the Remnant Church - don't give up because of a few unfaithful like Judas. Don't be the evil Politically Correct. Please Christ instead and bring peace.

Timidity is a form of luke-warmness, Rev. 3:16 and God said, such souls "He will vomit from His mouth." (You are either Catholic or not - no in-between.) We are now living in a time that Saint Louis DeMontfort, described as the last days of an evil era. A time when the greatest saints ever will appear in our Catholic Church. They are needed now more than ever.

Why? Because we are living in a world that Jesus and Mary have said in private revelation is more decadent now than in the time of the deluge.

Catholics make up only 22% of the electorate, they have been historically significant in determining a presidential election. Catholics surveyed were almost evenly split between those that would never vote for Trump 47%, and those that said they would vote for Trump 53%. (Stats from National Catholic Register & EWTN)

HYPOCRITICAL CATHOLICS ARE SCANDALIOUS & CONFUSE THE FAITHFUL

Our Catholic Hierarchy Must Speak Up and Explain Catholic Doctrine Clearly

Examples:

Nancy Pelosi

Joe Biden

NY Gov. Cuomo

Ex. Crd. McCarrick

This is a disaster, 47% of Catholics, endorse the slaughter of innocent babies inside and outside of the womb, about 62,000,000 murdered so far!

Did you vote for these 62 MILLION murders ?

Why? Because of MONEY, Pride - many Catholics will not give up their party affiliation even if it may mean the loss of their souls. Lack of Catholic education, the poor example from elected so-called "Catholic" politicians, and the hierarchy of the church contributes to the passivity regarding the church's teachings. It's scandalous; no wonder why over 40% of Catholics are confused. **There is no other issue on the political agenda that overrides murder of the unborn.**

THE WEIGHT OF ONE MASS

Saint Padre Pio shared a friendship with Maria Esperanza; before he died, he appeared to her asking her to take his place.

“Every Holy Mass, heard with devotion, produces in our souls marvelous effects, abundant spiritual and material graces which we ourselves do not know. If we only knew how God regards this Sacrifice, we would risk our lives to be present at a single Mass”.

St. Padre Pio

The woman left the shop and returned after going to Mass and offering it up for the butcher.

The butcher took a piece of paper and wrote on it, “A Mass heard for me” and put it on the scale with a small bone on the other side, but nothing happened. He took the bone off and replaced it with a piece of meat and still the paper weighed heavier. Both men were beginning to feel ashamed of their mockery, but continued to play their game. The butcher placed a larger piece of meat on the scale but the paper was heavier.

A true story told by Father Stanislaus, SS,CC, to an elderly nun, Sister M. Veronica Murphy: One day many years ago, in a little town in Luxembourg, a Captain of the Forest Guard was deep in conversation with the town butcher when an elderly lady entered the shop. The butcher broke off the conversation to ask the old woman what she wanted.

She had come to beg for a little meat but had no money. The Captain watched the conversation closely. He observed the butcher to see how much he was going to give her. The old lady said, “I have no money but I will offer up one Mass for you.” Both the butcher and the Captain were indifferent about religion and they scoffed at the old lady’s idea.

“Alright then, said the butcher. You go the Mass for me and when you come back I will give to you as much meat as the Mass is worth in weight.”

The butcher took everything off the scale, examined it and determined it was in working order. The butcher tried once more; he put a whole leg of mutton on the scale and the paper on the other side but the paper still weighed more. The butcher was so impressed that he converted and promised to give the woman her daily ration of meat.

As for the Captain, he left the shop a changed man and ardent believer in the daily Mass. Two of his sons became priests, one a Jesuit and the other a Father of the Sacred Heart.

Father Stanislaus finished the story by saying, Following the incident, my father became a daily Mass communicant and his children were trained to follow his example. After we became priests, he advised us to say Mass every day and never miss through any fault of our own. **“I am the Religious Priest of the Sacred Heart and the Captain was my father.”**

FREE 1000 SOULS FROM PURGATORY

From the Revelations of St. Gertrude: Our Lord told St. Gertrude the Great, that the following prayer would release 1000 souls from Purgatory each time it is said:

ETERNAL FATHER, I OFFER YOU THE MOST PRECIOUS BLOOD OF THY DIVINE SON, JESUS, IN UNION WITH THE MASSES SAID THROUGHOUT THE WORLD TODAY, FOR THE HOLY SOULS IN PURGATORY, FOR SINNERS EVERYWHERE, FOR SINNERS IN THE UNIVERSAL CHURCH, THOSE IN MY OWN HOME AND WITHIN MY FAMILY, AMEN.”

(Approval and Recommendation, M. Cardinal Pahiarca, Lisbon, Portugal, March 4, 1936)

This prayer is said at all the Betania Miracle Prayer Meetings.

The following is Our Lady of Medjugorje's February 2, 2020 monthly message to Mirjana.

“Dear children, by the act of the decision and love of God, I am chosen to be the Mother of God and your mother. But also by my will and my immeasurable love for the Heavenly Father and my complete trust in Him, my body was the chalice of the God-man. I was in the service of truth, love and salvation, as I am now among you to call you, my children, apostles of my love, to be carriers of truth; to call you to spread His words, the words of salvation, by your will and love for my Son: that with your actions you may show, to all those who have not come to know my Son, His love. You will find strength in the Eucharist—my Son who feeds you with His Body and strengthens you with His Blood. My children, fold your hands and look at the Cross in silence. In this way, you are drawing faith to be able to transmit it; you are drawing truth to be able to discern; you are drawing love that you may know to love truly. My children, apostles of my love, fold your hands, look at the Cross. Only in the Cross is salvation. Thank you.”
