

## Mystic Maria Esperanza, Servant Of God Advice In Times Of Trouble Or Chastisement "A Sanctuary for Miracles"

Stigmata

(Prophesized before her death, August 7, 2004)

"Even though times look so bad, it is glorious", Maria said this from Caracas, Venezuela,

through her son-in-law, Carlos Marrero Bonn, (Husband of Maria Coromoto daughter of Maria Esperanza), who serves as interpreter. *"We are going through glorious times. Everything is in God's Control. It will make everything better. Many signs are being disclosed. We should be only joyful."*

There is always the continued threat of terrorism, and Israel still bothers Maria. She has warned that troubles there could lead to war. According to Mr. Bonn, *"she feels what is going to come out is going to be very good."*

*"No matter how serious matters get, purification is meant to cleanse and even then, the Blessed Mother, is coming to lighten it. She comes to give us strength, to resist temptation."* Maria in the past has said, *"... disobeying God's Commandments, and abusing the material things God has given us, results in all the present-day sicknesses."*

Maria told the interviewer, Michael Brown, of Spiritdaily.com – *"... that new epidemics and more natural disasters in the U.S. and other countries will be effected on a regional level due to the sins of abortion and cloning. The response to all this is the ROSARY and the Spirit of Joy. It's all in God's Plan."*

Maria, is herself a stigmatist and probably one of the greatest Mystics the church has ever encountered, as described in her biography, by her Vice Postulator and author of the book, "Maria Esperanza and the Grace of Betania."

For those that receive our daily emails, the book has revealed paragraph by paragraph, of Maria's extraordinary gifts from heaven, especially the gift of suffering. Sixteen times a rose grew from her chest while she was in great pain. These events have been videoed and documented. I was told by the family that all this will be revealed after she is

canonized. Once I personally asked Maria, "Why this rose thing?" She looked at me and just smiled. It was not my place to ask.

She also received the pain of a sword that entered her heart, similar to the experience of St. Teresa of Avila. I am sure the day will come when all this pain and these phenomena will be brought to light.

Maria, reads hearts and can envision your whole life from birth to the present day. Her husband and all her son-in-law's experienced this before they married her daughters. I watched two of these sons, in tears as they gave testimony to this experience. I found out later, that Maria scanned me, and tested me also, before she called me one of her "spiritual sons". A story one day I will tell.

Rose Growing from  
Maria's Chest

Maria had the grace of bilocation and levitation. In a conversation with her daughters they told me when they were young they would see her rising as she prayed. They were frightened and tried to pull her back down. At times in her private chapel she would emit a brilliant light and at other times she would all of a sudden stop and kneel down raise her head to heaven as Eucharistic Hosts would appear and sort of float on to her tongue one by one. This happened many times in front of many witnesses.

Her healings register into the thousands. Betania XIII had one major healing which we documented of a four year old child with cancer who was about to lose her eyesight. The mother gave testimony of the miracle at one of our monthly meetings at St. Francis of Assisi church in Greenlawn. There was hardly a dry eye in a full to capacity church. One day we will make a long list of the healings we have witnessed at Betania XIII since we began.

*Maria's husband Gio, Maria, Fino - Mother Cabrini Shrine NYC 1993*

Her many prophesies have been revealed and many are yet to be fulfilled. We do know that she did predict 9/11 and the events that were mentioned above. Other frequent phenomena, people in her company would smell the aroma of roses. It would not be a surprise to see roses petals falling around her as well as sparking dust.

Her visions of so many saints that visited her is amazing. Saint Mother Cabrini would appear to her often and would even travel with her when she was alone. They were good friends and this is why she visited her shrine when in New York. I was fortunate to be with her and her husband Geo on one of these visits at Maria's request. Saint Theresa

Lisieux was another companion of Maria since she was a child.

Please read the book by Father Byerley describes the paranormal in more detail than I have written here.

Padre Pio was her Spiritual Director and good friend. He appeared to her the day of his death. In fact, at times, Maria heard his call and rushed to his side in San Giovanni Rotondo to seek his counsel. It is alleged at one of these meetings with St. Padre Pio and Maria they foresaw in a vision Betania I. Later Maria saw the vision of all the Betanias around the world and it became a reality in 1974.

*St Padre Pio*

Before Padre Pio died he said to friends, "A women from South America, when I leave she will take my place."

**TO BE A MEMBER OF ONE THESE "BETANIA SANTUARIES OF REFUGE & PEACE", SHOULD NOT BE TAKEN FOR GRANTED BUT ONE OF HOLY APPRECIATION AS PREDICTED BY OUR HOLY MOTHER MARY, VIRGIN AND MOTHER, RECONCILER OF ALL PEOPLES AND NATIONS."**

There are presently 20 Betanias around the world; 13 in the USA, 1-in Venezuela, 1- Argentina, 1-Peru, 1-Italy, 1-Spain, 1-Cayman Islands and 1 in Canada.

## A Refuge Of Peace & Love

**In 1990, Maria Esperanza revealed that, "The Betania Prayer Groups would develop throughout the world bringing the messages of Betania. These groups are called "Columns of Light"... and the Holy Spirit will work in such a way that all of us will be converted into fire, into living flames, so as this world grows, hearts will continue to be purified, and that solidarity among men occurs so that all of us can really live as the Lord asks us, In His Will."**

Maria's constant exhortation was, "Always Be Joyful", which is the hallmark of the Spirituality of Betania. She said "... the world as it exists cannot continue

*much longer... remember to feel lifted, joyful, and happy, even in these days the enemy comes to trouble you, do not accept him by your side ... He wants to bother us so we may lose faith and trust, so we do not reach the goal of God is asking of us."*

The Betania Communities and Prayer Groups will provide solidarity and support for believers, enabling them to breath the fresh air of Divine Truth and Love in a Safe Haven.

*(Research Notes; I paraphrased from Spiritdaily, Fr. Byerley's book and my own experiences, Fino.)*

## **MEDJUGORJE VATICAN COMMISSION APPROVES THE FIRST 7 APPARITIONS**

*Medjugorje*

It is confusing to me a person that has studied apparitions for over 40 years how you can approve 7 apparitions and question all the others with sincere doubt without extended examination. I am well aware that 99% of all apparitions are fake and caution must be taken. Satan has fooled many well-educated theologians. My resources were in most part the late experts, Father Rene Laurentin, and Father Joseph Pelletier, A.A.

Most of us know from past statements made by, Saint John Paul II, he believed in Medjugorje, as well as many cardinals and dozens of bishops from around the world. We quoted many of these prelates, that gave positive remarks about Medjugorje, in past newsletters.

It is by their fruits we judge the credentials of an apparition. The conversions, the long lines at the confessionals, the thousands of documented miracles, even the non-believing communists at the time have since converted. The paranormal events seen by thousands in Medjugorje are very similar to the events in the approved site in Betania, Venezuela.

Have the seers said things that could be judged as contradictory to Catholic doctrine? They are not theologians! The children at Fatima thought Russia was a person. Saint Bernadette, at Lourdes, had no idea what the Immaculate Conception meant. The Cardinal in Fatima at the time of the “miracle of the sun”, told people, **“that going to the cova where the children are about to see an apparition is sinful.”**

The church has made a few “official mistakes.” It took the Catholic Church 350 years to apologize the mistake of **condemning** the astronomer and physicist, Galileo. Once again it was Saint Pope John Paul II, that rectified this error.

I am not going to list all the errors the church has made because many will misinterpret my intent.

Pope Benedict canonized, Sister Mary MacKillop, a Joshephite, October 17, 2010. **In 1871 the same church excommunicated Sister Mary for exposing a pedophile priest.** She was originally brought to life again by my spiritual hero, St. Pope John Paul II in 1995, when he beatified her after a miracle was proven through her intercession. She went from excommunication to sainthood!!

Our present Pope Frances said, *“my personal opinion is that these alleged Medjugorje apparitions have no great value.”* (Catholic Herald May 17, 2017) **Remember here he is not speaking infallibly.**

To me even if only the first 7 apparitions are approved – *they are of value*- simply because it is the Mother Of God speaking. Of course that is my very humble opinion and I do not mean to criticize our pope.

***My experience with one of the first seers in Medjugorje:*** Milka, the sister of Maria, was one of the first seers in Medjugorje. She saw Our Holy Mother with Ivanka, and Mirjana the first day. The next day however Milka, could not go to the site and never saw Our Holy Mother again. About two years later, Milka, stayed in my home, when we lived in Roslyn Harbor. I listened to her testimony very carefully and yes with all my heart I know she was truthful. Most people do not know about Milka. To me her experience of never seeing Our Holy Mother again adds to the authenticity of the apparitions in Medjugorje.

The commission also went on to recommend lifting the Vatican ban on official diocesan and parish pilgrimages to Medjugorje. Plus turning Medjugorje into a pontifical shrine with Vatican oversight insuring the pastoral spiritual needs of pilgrims, as the church proceeds with further investigations.

We cannot have Mass celebrated as a Medjugorje Mass until it is approved, but after our usual Healing Mass on Monday, June 25 – There will be a **“Medjugorje-Pilgrim Re-Union”** with refreshments.

Please spread the word. It will be a delightful evening don't miss it !

# THE GREAT SAINTS AND APOSTLES OF THE END TIMES

As Prophesized by Saint Louis DeMontfort in his book *True Devotion to the Blessed Virgin Mary*

St Louis deMontfort Book

In present day Catholic news, and even secular, we have been hearing about the “End Times” and predicted Biblical Chastisements. Past newsletters have named many religious that mention end times, including, Saint John Paul II, and recently Cardinal Raymond Burke, quoted in the Catholic Herald on

November 30, 2017, mentioning the present church division and the end times.

The end times does not refer to the end of the world, but the end of a decadent time in human history. Many of the Jewish faith as well as many Protestant Theologians share the same opinion. We named several in past newsletters also, including the late, Rev. Billy Graham.

St. Louis DeMontfort has written about the “End Times” in the early 1700s. (*Imagine over 300 years ago!*)

St. DeMontfort says in his book, *“It was through the Blessed Virgin that Jesus Christ came into the world, and it is also through her that He must reign in the world ... He will intervene with a deluge of fire, love, and justice... this divine intervention will be through, “Apostles of the End Times”*

TD 47 - *These great saints filled with grace and zeal, valent soldiers and loyal servants of Jesus Christ ... the true children and servants of the Blessed Virgin”, (I believe this will be the fulfillment of the Fatima prediction from Mary, “In the End My Immaculate Heart Will Triumph”, Valent soldiers will*

have all this STRENGTH of “Living In the Divine Will” as predicted in the writings and visions of Luisa Piccarreta and Maria Esperanza both Servants of God, presently.)

TD 217 St. DeMontfort defines the core as priests but he enlarges by saying, *“chosen souls, a mighty legion of brave and valiant soldiers of Jesus of both men and women” TD ( This is the LAITY that Bishop Fulton Sheen predicted that will help save the church. Fino) “... they will enkindle everywhere the fires of Divine Love TD 56-58 ... they will build the temple of the true Solomon and the Mystical City of God ..., they will shower down the rain of God’s word and Eternal Life, and will work to extend the Lord’s Empire, over the impious, idolaters and Muslims TD 49, receiving a deluge of fire that will empower them to convert, Muslims, idolaters and even Jews” SITE: Writings of St. Louis deMontfort – True Devotion to the Blessed Virgin*

Once again and as we all know, no one knows the date of the end of the world except Our Father in Heaven. The “End Times” has nothing to do with the end of the world. Mystics, saints, and biblical theologians of Catholic, Protestant, Jewish Faiths seem to all agree that the world cannot go on in this immoral state of existence. In fact, Maria Esperanza used these exact words.

It is now for us to discern.
