

The lawyers at Parker Waichman, LLP have an opposite view and will assist any abused Jew by offering free confidential lawsuit consultations.

Lead rabbis have the power to shut people up, like the Catholic Hierarchy did for years. Rabbi Rosenberg, the main whistleblower, has now been ostracized from his own Jewish faith, for exposing an assembly line of pedophile abusers who are rabbis, teachers and doctors. He maintains an active TWITTER page - whistleblower hotline.

In conclusion we can ALL say, "He that is without sin cast the first stone." Jn 8:7

YOUR HEALTH AND RELIGION

People who attend religious services live longer and are generally healthier, less depressed and less likely to be disabled. The University of Texas at Austin did a study led, by Robert A. Hummer. They found Christians that attend services once a week live on an average 6 years longer than non-attendees. Those that attended more than once a week lived 8 year longer, while African American Christians lived fourteen years longer.

given to a dying person, many improve substantially, after receiving the Body of Christ in the Eucharist.

Dr. Terry Grossman a longevity medicine doctor statistically concluded, 35% of people live longer after seventy, if they have a sense of humor. www.grossmanwellness.com

I firmly believe my crazy sense of humor has kept me alive and that laughing is a form of Prayer!

No heartfelt laughter ever came out of Hell. *Gensis 21:16 Sarah then said, God has given me cause to laugh, and all who bear of it will laugh with me. --- Job 8:21 He will fill your mouth with laughter.*

Saints are not morbid. They have a positive attitude. KEEP SMILING! We are one Big Family. We have, God as Our Father, as we pray His Prayer. He gave us a Blessed Mother to bring us His Son, Jesus. We are all brothers and sisters in His Mystical Body helping each other to save our souls. Live these truths faithfully and you need not to look for happiness it will find you.

The Family Unit Is The Essence Of A Nation

Mystic Maria Esperanza, Servant of God explained the rationale for the apostolic emphasis, noting that in our day the families of the middle class are suffering from devastating spiritual crisis and fragmentation... Maria was called and blessed by God to address this kind of poverty, and this is what she did. She broadened her response to this spiritual destitution by instructing her followers, in all the Betanias around the world, to plan prayer meetings with the middle class. The family is the basic cell of society, and so, society passes by way of the family. When the family is strong society is strong. When society is broken, society is broken. The healing of the family is therefore the pathway to universal reconciliation. This is why Maria

Esperanza proclaimed, "Family is the glory of the nations and every day's joy at home." This is the practical means of establishing global reconciliation called for in Betania. (Paraphrased from Fr. T. Byerley's , biography of Maria Esperanza, "Grace of Betan

Our Holy Mother's Last Prediction At Fatima 1917, "Satan Will Attack The Family"

We all know how the cultures of the world have slowly and effectively desensitized the sanctity of the family, by Satan's cohorts within our world governments. At one time Modesty, and Purity were cherished, as was Chasity before marriage of a man and woman. Today Heterosexual or Homosexual Cohabitation is acceptable by the "Present Liberal Culture, PC." We Christians believe that the Bible is the Word of God, and the acts of homosexuality and fornication are defined as very serious sins and contrary to natural law.

(Biblical Research defines these acts very clearly & the consequences: Eph 5:5-7, Gal 5:16-21, Rev 21:5-8, Rev 22:14-16, Mt 15:19-20, Cor 5:9-20, Col 3:5-6, 1 Thess 4:1-8, Tim 1:8-11)

Politically Correct thinking has defined homosexuality as a natural legitimate alternative life style. This man-made definition is now in many text books for our children to be indoctrinated throughout the country. PC will consider you a bigot if you oppose.

This Politically Correct, Humanistic, Socialistic, philosophy has begun a war against Christianity and especially the Catholic faith. If you call yourself a Catholic and accept, "Pro-Choice", even in rape situations, you are not a practicing Catholic, you are a member of the "Culture of Death Faith". You actually help promote the murder the helpless innocent children in the womb. The soul of a child in the womb is infinite.

There is BIG MONEY in abortion, just examine the cash flow sheets of Planned Parenthood, the free-lance "MDAbortionists", and the under the table cash received for illegal baby parts. What makes this even more abhorrent is the USA government assists these murders with our tax money, by giving Planned Parenthood about 500 MILLION DOLLARS per year!

This present evil culture has even gone after Christian businesses as **Hobby Lobby**, **Chick fil a**, and a **Florist business**. They are all Pro-Life Christians and therefore considered "Homophobic" by the Politically Correct or the **Schumer Democratic "Main Stream" Values Philosophy**. They even went after the Little Sisters of the Poor.

Faithfull Christians are not homophobic! They are bound by the second commandment; To Love Thy Neighbor as Thy Self. There are no conditions to this commandment. The abortion, and homosexual cultures are excellent at false logic and making Christians look unloving. We are bound to love the person not the act of homosexuality. Christians are hated and harmed and most of this is hidden by most of the evil media.

We have been told in the Bible this day would come:

Isaiab 5-18 ~ Woe to those who tug at guilt with cords of perversity. Verse-20, Woe, to those who call evil good and good evil. A few examples: Abortion, the Act of Homosexuality, Fornication, (Man and women living together without entering the Sacrament of Marriage), the evil of bearing false witness is even one of the 10 Commandments. Jesus Christ was put to death due to false witnesses. Do you see any of this happening today?

2 Timothy 2, 4, 12 ~ But understand this, there will be terrifying times in the last days. People will be self-centered and lovers of money, proud, haughtby, abusive, disobedient to their parents, ungrateful, irreligious, callous, implacable, slanderous, licentious, brutal, hating what is good, traitors, reckless, conceited, lovers of pleasure, rather than lovers of God, as they make a pretense of religion but deny its power.

Yes, all this is clearly happening today.

Is the late, Cardinal Frances George, prediction becoming a reality? **“I expect to die in my bed, my successor in prison, and his successor will die a martyr in the public square...”** All for being Catholic!

Prayer was taken out of our schools, *(We are now witnessing what has happen to our schools since then. We took God out and Satan moved in with his socialistic liberal cohorts teachers.)* Even the Pledge of Alliance is being attacked because it has the word God in it. Same is true of all our government buildings. Anything pertaining to God must be removed.

I am not paranoid about the attack on Christianity and the family unit. You have to be deaf, dumb, and blind not to see what is going on in our Politically Correct Decadent Culture. We have been plagued with this EVIL by today’s “New Satanic Bibles”: The liberal Hollywood mentality, the liberal False Media, including most of TV programing, even many politicians that call themselves Christian or Catholic, that support abortion and same sex marriage, and go to communion on Sunday. This confuses the laity and causes tremendous scandal.

You cannot vote for a politician that is pro-abortion and same sex marriage and call yourself a Catholic. It’s mortal sin.

This **anti-God disease** has also infected the IRS, FBI, the Internet, Facebook, Twitter, Google, and false-Christians. A Liberal, Socialistic Catholic is an oxymoron. You still do not believe this attack is happening? Buy the book, “Hating Jesus: The American Left’s War on Christianity”, by Matt Barber and assisted by Paul Hair. I must add here thousands of souls prefer to live as if there is no God, Heaven or Hell. This allows them to do whatever they want. They are atheistic, materialistic, sensualistic, social justice free loaders, anarchist, and the conceited proud elitists educated by, the prejudice PC liberal USA education system. Unfortunately, even some so called Catholic schools have joined the liberal epidemic.

Nobody is as well educated or as wise as the fallen angel, Lucifer. What good did it do him?

The pursuit of the, “New World Order”, and the Culture of Death is presently destroying the Family Unit, which Our Holy Mother predicted. She also predicted, **“In the End My Immaculate Heart Will Triumph.”** Be happy, trusting, keep a good sense of humor, we win in the end.

“Without God, there is no virtue because there’s no prompting of the conscience. And without God, democracy will not and cannot long endure. If we ever forget that we’re one nation under God, then we will be a nation gone under.”

Pres. Ronald Reagan

Sex Abuse By All Religious Clergy Affects The Family

(Be careful what you read, some of it is not true, and has been twisted to fit the bate Catholic narrative. Most of the accusations reported by the liberal media have reported 300 priest predators and 1000 abused children. None of these reported claims have been verified by a grand jury. True, there has been some verified abuse by Catholic clergy, Protestant clergy, and Jewish clergy. We will examine some facts.

First, fear not, church history has shown there is hope and our patroness’s name, Esperanza, means hope. A member of the laity past, Mystic Saint Catherine of Siena, helped eradicate the same sex scandal in the thirteen hundreds. Once again, I quote the late, Ven. Bishop Fulton Sheen, “You the LAITY will save the Church in the Future!” The future is now. We are living, in the Last Days, of an evil era as predicted.

Do not abandon ship. These end times, have been predicted in the Bible and by Saint Louis DeMonfort; Greater saints will assist mankind to an era of world peace. This Catholic ship will never sink. It will be guided by a purified officer dedicated to “Our Lord Jesus Christ” and will sail us through these rough waters and bring us to the Light of the Holy Spirit to be welcomed at the shore by Jesus, in The Holy Eucharist and Our Holy Mother! (Paraphrased from St. Louis De Montfort.)

Sex Abuse Facts In: Public Schools - Protestant & Jewish Faiths

Public School Abuse

This public-school stats were sent to me from, Frank Russo, President of New York, American Family Association. They publish a very informative newsletter that I recommend. You may call Mr. Russo at 516-767-9179 and become a member.

The child abuse problem in our public schools is over 100 times larger as compared to the Catholic Church. (29,000 victims in our Public Schools per year compared to 220 victims per year in the Catholic Church.)

The Public School abuse issue was studied by, Dr. Charol Shakeshaft, of Hofstra University, in a study done for the United Sates Department of Education in 2004. This problem, is rarely if ever discussed, in the Liberal News Media. Why?

Protestant Clergy Abuse

One of the most striking aspects of the Protestant clergy sex abuse pattern is that most people don’t realize it’s a pattern. The Catholic Church has taken a well-deserved beating, yet equally egregious violations by Protestant clergy fail to generate the same level of outrage. Why?

In 1990 the “Freedom from Religion Foundation”, issued a study on pedophilia by clergy. At that time two clergy per week were being arrested in North America for sex crimes against children, 58% of them were Protestant. *(Huffpost - Contributor, psychologist, Valerie Tarico, author of, many books, “Former Evangelical Looks at Old Beliefs in a New Light” ... her other articles can be found at Awaypoint.Wordpress.com)*

Why is the Protestant abuse overlooked and the Catholic abuse exploited?

The Catholic Church is easier to think of as a monolithic entity. This makes it easier for the liberal press to cohere the incidents of abuse into a single story cover up, a conspiracy which is very appealing, as compared, to the basic Protestant population in America. It therefore becomes solely a Catholic abuse problem. Plus, the Catholic Centralized Hierarchy have Big Pockets to go after by offenders.

NEW YORK TIMES REPORTS, *Nashville, June 16, 2007 (AP):*

Three companies that insure a majority of Protestant churches say they typically receive upward of 260 reports a year of children younger than 18 being sexually abused by members of the clergy. Protestant numbers are harder to come by because the denominations are less centralized and many are independent. This makes the actual total difficult to actualize.

(3 Insurance Companies: Church Mutual, Guide One, Brotherhood Mutual)

This once again proves, that clergy sex abuse is not exclusively Catholic, but all religious churches and synagogues have the same problems.

SEX ABUSE BY HIGH LEVEL JEWISH CLERGY

The NetFlix documentary, ONE OF US, released in 2017 exposed how Jewish leaders kept secret the flagrant abuse by Jewish clerics allowing 1 out of every 5 ultra-orthodox Jews to be abused. The film is also mentioning how the New York Times uncovered at least 60 pedophiles and predators that were being protected by powerful Jewish politicians and lawyers, and advising “Rabbi-Whistleblowers”, they are acting contrary to Jewish Law.
